

## 2015 OREGON PUBLIC HEALTH ASSOCIATION AWARDS

As we plan for our 2015 OPHA Annual Meeting and the Celebration of the 71st anniversary of OPHA, please take a moment to reflect on and acknowledge the contributions of our fellow OPHA members, colleagues, community members and organizations that have contributed to public health in our communities. Award categories are listed below. Please nominate a person or organization that you would like to see receive an OPHA award.

[ ] **2015 Lifetime Achievement Award**

*This award will be given to a person who has demonstrated a lifetime commitment to public health and to the improvement of health in Oregon.*

[ ] **2015 Policy Champion Award**

*This award will be given to a person or organization that has made an outstanding contribution to advancing public health policy in Oregon*

[ ] **2015 Emerging Leader Award**

*This award will be given to a person that has demonstrated leadership, innovation, and creativity in the beginning of his or her public health career. Alternatively this award may also be given to an organization that has demonstrated leadership, innovation and creativity at the onset of their organizational development.*

**Nominee's Name & Degrees:**

**Phone Number:**

**Please describe at least 3 reasons why your nominee deserves the award. Please give specific examples (attach additional sheet.)**
