

Nursing Section — Strategic Workplan 2017

Email: opha.nursing@gmail.com

Web: oregonpublichealth.org/nursing-section-home

Our Vision — A forum for all those interested in nursing and public health to come together, support each other, and advance the public's health.

Our Goals — Leadership: Support a variety of educational opportunities throughout the year, including a nursing summit to share stories on research, policies, and programs.
Practice: Build partnerships with members, other organizations, and communities to unite around common interest in public health nursing.
Policy: Join together to inform and support policies to improve the public's health.

Our Plan — Continue to grow our section and increase participation in section activities.
